Another State Championship Won by Notre Dame

ANNEX SUPREMACY OF DIAMOND WITH INDIANA'S DEFEAT

Four Stars Make Final Home Appearance in Notre Dame Uniform.

Appearing in the last home game of the season Monday afternoon, the Notre Dame baseball club clinched the state championship by smothering Indiana under 17 base hits for a 15-5 score. Kane and Miles featured the contest with flashy fielding and every home player connected for a hit.

Capt. Johnny Mohardt, ex-Capt. Frank Miles, Bill Fitzgerald and Larry Morgan received ovations from the crowd on their last appearance in Notre Dame uniforms. Miles responded with a wonderful one-hand stop and throw of a fast one traveling over second base. Mohardt, Miles and Fitzgerald collected two blows each. Morgan broke into the game in the eighth inning, popped to the infield at his one batting chance and picked a fast ball out of the sun-field in the ninth for a clever catch.

Micky Kane continued the fast fielding which, with his steady bunting, has made him the most valuable player on the team this season. On the third sack the peppery little Celt is certainly the right man in the right place. He came in fast on slow ground balls and completed three snappy plays in the fourth, fifth and seventh, which cut off Indiana rallies. At the bat he poked two solid cracks into his favorite left field; and on the bench and in the infield his line of chatter is always a well-directed force which aids the team play.

Hunk Anderson Doubles. Hector Garvey, sundering for Bilevich, who was called home last week, caught a nice game with the exception of a temporary slip-up in the second inning. The big receiver scored three runs and crashed out two hits in three trips to the plate. Anderson broke into the game when he was sent to pinch hit for Fitzgerald in the sixth and sent the crowd into a wild frenzy by slamming a double to the left field fence which cleared the sacks.

Fitzgerald, handicapped by a bad thumb which has retarded his work all season, retired from the game in the sixth, after connecting for two bingles in his three trips to the plate. At first base he picked several of Kane's and Miles' hurried throws from the dirt for clever put-outs.

Dick Falvey, pitching his first full game on the home diamond, set the Indiana batters back nicely with the exception of the second inning when his support took a temporary

flight and Dick slowed up enough to allow four hits for four runs. After the second frame the Crimson was never dangerous, the last run coming off Mohardt in the ninth on two walks and an error.

Mathys opened the big Crimson inning by slipping a bingle through Kane's hands, taking a dead hop in the thick infield grass. Garvey threw high on Maynard's bunt and Mathys took third. Minton dropped a slow fly just over Kiley's head for the first run and Maynard scored when Kiley returned.

Garvey's throw a little wild on a successful double steal. Shuler's hit to left tallied Minton and Shuler scored on a steal and a single by Jack Hendrick's son, who plays first base for the Crimson.

The Notre Dame pepper became evident as it always does when the enemy has gone ahead. Mohardt flied to center, but Castner binged to right. Garvey scored Paul with a two-base crash to left and Prokup sent a hit through Maynard which tallied Hector Falvey popped to the catcher, but old reliable Micky Kane sent home the third run with a poke over third base.

Luck Mascot Arrives.
The Indiana defense functioned like a well-oiled machine for the next three innings and the one-run lead began to look big, but then Dinty came.

"Dinty," also known as "Houdini," is a freckled mite who inhabits the Notre Dame bench and frequently partakes of a delicious repast on the training table; and the young mascot repays his favoritism by bringing great robes of freckles to his big pals. When Dinty arrived Micky Kane deposited the youngster between his legs, rubbed one hand over his hatless head for luck and the fun began.

Castner, Prokup, Fitzgerald, Miles and Mohardt connected for singles. Garvey walked twice and Kiley got one free pass; Falvey hit a double with two men on and Hunk Anderson cleared three men off the sacks with a double to the fence. Campbell and Faust sought the showers as the result of the holocaust. Notre Dame scored 10 runs, the crowd went cuckoo and the state championship rested neatly on the golden dome. All in one inning.

Dinty consented to take dinner at the varsity training table.

Winner Of Speedway Classic

Tommy Milton, the world's speed king, upheld the honor of America's racing cars at the Indianapolis Motor Classic Monday, driving a beautiful race throughout, in an American made Pontiac. Milton and Saries pressed De Palma hard over the first 100 laps and when the "Hard Luck Italian" was driven out of the race with a broken connecting rod, Tommy took the lead and was never headed, increasing his lead of a half-lap to three laps near the end.

Milton recently drove a car 156.04 miles per hour and then, when it burst into flames headed it into the ocean.

BOWMAN'S HURLING PROVES TOO MUCH FOR PROGRESSIVES

Singers Avenge Sunday Defeat by Winning 4 to 1 Game Off Heath.

Stacy Bowman was in rare form Monday and as a consequence the Singers baseball team took the long end of a 4 to 1 score from the Chicago Progressives, thereby avenging their 5 to 0 defeat of Sunday.

The local trier completely baffled the visiting team, fanning an even dozen and permitting but six hits. Seven of Bowman's strikeouts were made consecutively. Had it not been for a bit of good fortune in the sixth inning the Progressives would have gone scoreless. With the bases filled and no one out Aftowski threw a little wide to the plate and Migges was safe on a close play with the only Chicago tally.

Spencer Heath who occupied the mound for the visitors was walloped for 11 clean hits and was lucky to escape with only four runs being scored. Heath pitched in Chicago Sunday and the effects of pitching two games on consecutive days appeared to be too much for him.

Bowman's Hitting Big Factor.
Besides pitching a masterful game Bowman contributed greatly in winning for he drove in two runs with "timely hits. It was "too much Bowman" from the start to the finish, otherwise the game might have gone into extra innings for the two clubs appear evenly matched.

The first was an uneventful inning for hot but in the second the local took a liking to Heath's offerings and clouted him, for four hits which resulted in two runs. After Touhey popped for the first out Baker and Philion followed with clean singles, both advanced on Ziellinski's perfect sacrifice bunt, and Baker scored when Bowman came up in the pinch and banded an infield single. Philion going to third. Broder scored Philion on another infield hit but Aftowski ended the inning when he skied to Migges in left.

The Progressives got two hits in the third and fourth innings but they were unable to score because Bowman forced the following batters to pop easy flies to the infield. The visitors went out in order the fifth inning as each batter took three heatlives. In the sixth the one run came in for the Progressives, Mig-

side of De Palma, although actually six laps behind from the fifth lap on, had started a series of sprints, which taxed De Palma's car to keep in front and at the 101st lap De Palma swung into the pits. His engine had been missing for several laps, but after a quick change of parts he rushed back on the bricks still ahead of Milton, who had forged up to second.

Another trip to the pits lost more ground, a third visit left him almost on even terms with Milton and finally the leader swung to the side of the track and with a characteristic smile on his face, ordered his car to the garage, where it was found a connecting rod was broken. De Palma had won \$10,000 in lap prizes previous to being forced out.

Milton quickly swung to the front and never lost his lead. He previously had made one trip to the pits for a change of tires and signaled his mechanics that he would make one more for gas. His second stop was timed so nicely that he was off the speedway only 25 seconds and did not lose the lead.

Saries made desperate efforts to overtake the speed champion, but Milton began to let his car out in the final laps and gradually stretched his quarter lap lead to three laps.
